ABOUT ME

I hold a Bachelor's degree in International Business from the Argentine School of Business.

I studied exports and imports and also worked in that field.

I specialized in financial investments and economic innovation.

I'm a licensed agent registered with the National Securities Commission (CNV), license number 1801.

One of the things I enjoy most is studying languages and mathematics.

All the academic programs listed in this résumé have been fully completed.

- Spanish: Native
- English: Bilingual (C2)
- Italian: Advanced (B2)
